FAO **Mary Sherwood** Founder, 4 Dementia Carers

Dear Mary,

Please accept our sincere appreciation for the outstanding presentation you made to the 85 nurses attending the Devon Nursing Conference which took place on 9th May 2017 at The Great Barn, Higher Ashton, Exeter EX6 7QP. The Devon Nursing Conference has been in existence for the last two years and it is because of inspirational speakers such as yourself that it continues to be a success.

We are grateful for the time and effort you took to talk about the importance of supporting carers in the workplace and the challenges they face while looking after their loved ones with dementia.

Your talk was extremely well received and the way you shared your personal experiences was very inspirational.

Thank you very much for an enlightening and stimulating presentation.

Yours truly,

**Vanessa Crossey** Lead Practice Nurse, NEW Devon CCG

**Sarah Hall** Lead Practice Nurse, South Devon & Torbay CCG

**Magdalena Wood** Regional Project Manager for Community Education Provider Networks (CEPNs), SW AHSN
